INFORMATION AND APPLICATION FORMS FOR RASNZ VOLUNTEER

WE NEED YOUR HELP ...

We are all working together to help refugees who have come to New Zealand to make a new life. It is our aim and intention to make their transition into New Zealand society as easy as possible.

It is important to us that you are matched in a position that suits your needs and skills. It is our aim to meet the needs of the refugees as well as to ensure that you have a positive experience of volunteering your time with our organisation.

Refugees as Survivors NZ will offer an orientation programme with the intention of ensuring you are equipped to deal with the job and the people you are helping. This training programme will include orientation to the role, cultural training and discussion around challenges you may face.

Benefits of volunteering with Refugees as Survivors NZ are:

- Making a worthwhile contribution to refugees' lives
- Personal satisfaction
- Being part of a team
- Having the support and encouragement to help you do the work

We will be in touch to discuss:

- Areas of interest
- Availability
- Time commitment

We are keen to meet you and look forward to bringing you into our volunteer team. If you know of anyone who may like to volunteer with us, please let us know.

Thank you for offering your time to volunteer with us, if you would like any more information please contact us.
