

Kia Ora, Salām, سلام, Talofa, mālō e lelei,
你好, ਸਤ ਸ੍ਰੀ ਅਕਾਲ, 여보세요, Hello

As a team of five million we all play our part
to stop the spread of COVID-19.

Call your family doctor **FIRST** to get a **COVID-19** test.

It is completely **FREE** if you say you're just needing a test. If your family doctor is busy, they will recommend another family doctor that can test you.

You can also visit a designated GP clinic to get tested. You don't need to be enrolled to get tested at these clinics.

Another option is to visit an Urgent Care Clinic – some of these are open 24 hours, 7 days a week.

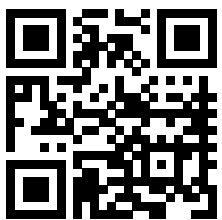

Your final option is to visit a Community Testing Centre.

What should I know before getting a test?

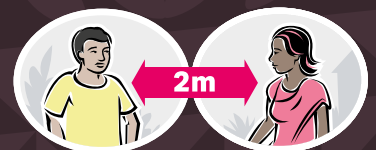

- Wear a mask or face covering
- Take a form of photo ID
- Share your contact details such as your phone number
- Please be patient.

If you need to get a **COVID-19** test **after hours**, see the list on the next page.

If you need to ask for health advice, call **Healthline on 0800 611 116** (Press Option #1 if you need an interpreter).
